Dear Sir/Madam,

RE: Application for ICT Teacher Position

I am writing to formally express my interest in the ICT Teaching position at your school. As a passionate and dedicated ICT educator with extensive experience in teaching digital skills, computer applications, and modern technology to secondary school students, I am confident in my ability to contribute positively to your academic community. I am particularly interested in delivering ICT instruction within international curricula, such as Pearson Edexcel.

My pedagogical approach focuses on creating engaging, practical lessons that equip students with essential real-world digital skills. I am committed to supporting learners of all abilities, fostering an environment that encourages creativity, critical thinking, and effective problem-solving.

My expertise and core responsibilities include:

- **Curriculum Delivery:** Planning and preparing comprehensive lesson plans, schemes of work, and digital instructional materials.
- **Assessment & Monitoring:** Grading coursework, homework, and examinations while maintaining accurate, timely records of student progress.
- **Communication:** Maintaining professional and consistent communication with students, parents, and faculty regarding academic needs.
- **Classroom Management:** Enforcing school policies and promoting a positive, inclusive, and disciplined learning environment.
- **Technical Integration:** Troubleshooting hardware and software, developing educational websites, and supporting school-wide digital transformation initiatives.

I am enthusiastic about the prospect of contributing to your school's continued academic success and helping your students develop into confident and responsible digital citizens. Thank you for your time and consideration of my application. I welcome the opportunity to discuss my qualifications with you in further detail.

Yours sincerely,

Jamal Fahadh Mohamed
